

Anti-Bullying Policy

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of St. Joseph's NS Mell has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

A positive school culture and climate which-

- is welcoming of difference and diversity and is based on inclusivity;
- encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- promotes respectful relationships across the school community;

Effective leadership;

A school-wide approach;

A shared understanding of what bullying is and its impact;

Implementation of education and prevention strategies (including awareness raising measures) that-

- build empathy, respect and resilience in pupils; and
- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.

Effective supervision and monitoring of pupils;

Supports for staff;

Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and

On-going evaluation of the effectiveness of the anti-bullying policy.

3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Anti-Bullying Policy

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*. See also Appendix 1

4.The relevant teachers for investigating and dealing with bullying are as follows: All classroom teachers, SET teachers, Deputy Principal & the principal.

5.The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows:

- Staff, pupils, parents and Board of Management (BoM) will be made aware of issues surrounding bullying including cyber through the use of appropriate awareness-raising exercises
- Pupils will learn about bullying through Social, Personal and Health Education (SPHE),SESE, Religion, PE, The Stay Safe Programme and through a variety of lessons in other curricular areas.
- The school will seek to engage a speaker to facilitate a workshop on cyber bullying for 5th and 6th classes annually. All classes will participate in the 'Stay Safe'

Anti-Bullying Policy

programme.

- Staff CPD (Continuous Professional Development) will assist in learning about current technologies
- Parents will be provided with information and advice on how to combat cyber bullying through information evenings run by the Parents' Council.
- Pupils will sign an Acceptable Use of ICT (Information and Communication Technology) contract
- Parents will be expected to sign an Acceptable Use of ICT contract prior to enrolment and to discuss its meaning with their children
- Pupils and parents will be urged to report all incidents of cyber bullying to the school
- All reports of cyber bullying will be investigated, recorded, stored in the Principal's office and monitored regularly
- The gardaí will be contacted in cases of actual or suspected illegal content
- This policy will be reviewed annually.

6.The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows (see Section 6.8 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*) :

- All reports of bullying will be noted, investigated and dealt with by the class teachers, in accordance with the guidelines set out in the Policy. This will give confidence to the victim to "tell". It shall be made clear to children that when they report incidents of bullying they are not telling tales but behaving responsibly. Interviews will be conducted with sensitivity and due regard to all pupils concerned. (questions what, who, when, where and why)
- Serious cases of bullying behaviour shall be reported immediately to the Principal who will investigate the case. A report of the incident will be made using the Template in Appendix 3. This report will be kept in the Principal's office
- The Principal shall inform Parents/Guardians of victims and bullies early of incidents before a crisis occurs. They can then be in a position to help and support their children.
- Individual teachers will record and take appropriate measures regarding reports of bullying in accordance with the school's policy and Code of Discipline.
- In the case of a complaint of bullying by a member of staff, this should in the first instance be raised with the staff member in question and if necessary with the Principal.
- Where cases of bullying relating to either a pupil or teacher remain unresolved at school level the matter will be referred to the Board of Management

7.The school's programme of support for working with pupils affected by bullying is as follows (see Section 6.8 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*) :

- Provide a contact person for the victim to support him/her, someone that the child can confide in.
- Instigate where necessary a social skills programme for all children concerned to enhance self-esteem.

Anti-Bullying Policy

- Put in place a conflict resolution programme e.g. SALT
- Devise a behaviour plan for the ‘bully’ to teach and reward appropriate behaviour and punish inappropriate behaviour.
- Where necessary seek professional advice from a councillor.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

9. Prevention of Harassment

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

10. This policy was adopted by the Board of Management on 23/01/2014.

11. This policy has been made available to school personnel, published on the school website (or where none exists, is otherwise readily accessible to parents and pupils on request) and provided to the Parents’ Association (where one exists). A copy of this policy will be made available to the Department and the patron if requested.

12. This policy and its implementation will be reviewed by the Board of Management once in every school year. Written notification that the review has been completed will be made available to school personnel, published on the school website (or where none exists, be otherwise readily accessible to parents and pupils on request) and provided to the Parents’ Association (where one exists). A record of the review and its outcome will be made available, if requested, to the patron and the Department.

UNDERSTANDING CYBER-BULLYING:

- Cyber bullying is the use of ICT (usually a mobile phone and or the internet) to abuse another person
- It can take place anywhere and involve many people
- Anybody can be targeted including pupils and school staff
- It can include threats, intimidation, harassment, cyber-stalking, vilification, defamation, exclusion, peer rejection, impersonation, unauthorized publication of private information or images etc.
- While bullying involves a repetition of unwelcome behaviour the **Anti-Bullying Procedures for Primary and Post Primary Schools, September 2013**, states:

2.1.3. *In addition, in the context of these procedures placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.*

WHAT IS CYBER-BULLYING?

There are many types of cyber-bullying. The more common types are:

1. **Text messages** – can be threatening or cause discomfort. Also included here is ‘Bluejacking’ (the sending of anonymous text messages over short distances using bluetooth wireless technology)
2. **Picture/video-clips via mobile phone cameras** – images sent to others to make the victim feel threatened or embarrassed
3. **Mobile phone calls** – silent calls, abusive messages or stealing the victim’s phone and using it to harass others, to make them believe the victim is responsible
4. **Emails** – threatening or bullying emails, often sent using a pseudonym or somebody else’s name
5. **Chat room bullying** – menacing or upsetting responses to children or young people when they are in a web-based chat room
6. **Instant messaging (IM)** – unpleasant messages sent while children conduct real-time conversations online using MSM (Microsoft Messenger), Yahoo Chat or similar tools
7. **Bullying via websites** – use of defamatory blogs (web logs), personal websites and online personal ‘own web space’ sites such as You Tube, Facebook, Ask.fm, Bebo (which works by signing on in one’s school, therefore making it easy to find a victim) and Myspace – although there are others.

INFORMATION FOR PUPILS:

If you are being bullied by phone or on the Internet:

- Remember, bullying is never your fault. It can be stopped and it can usually be traced.
- Don't ignore the bullying. Tell someone you trust, such as a teacher or parent or call an advice line.
- Try to keep calm. If you are frightened, try to show it as little as possible. Don't get angry, it will only make the person bullying you more likely to continue.
- Don't give out your personal details online – if you are in a chat room, do not say where you live, the school you go to, your email address etc. All these things can help someone who wants to harm you to build up a picture about you.
- Keep and save any bullying emails, text messages or images. Then you can show them to a parent or teacher as evidence.
- If you can, make a note of the time and date bullying messages or images were sent, and note any details about the sender
- There is plenty of online advice on how to react to cyber bullying. For example, ie.reachout.com and www.wiredsafety.org have some useful tips.

Text/video messaging

- You can easily stop receiving text messages for a while by turning-off incoming messages for a couple of days. This might stop the person texting you by making them believe you've changed your phone number
- If the bullying persists, you can change your phone number. Ask your mobile service provider about this.
- Don't reply to abusive or worrying text or video messages.
- Your mobile service provider will have a number for you to ring or text to report phone bullying. Visit their website for details.
- Don't delete messages from cyber bullies. You don't have to read them, but you should keep them as evidence.
